**Accounting Consultant to Present "Controlling Profits: QuickBooks® "  
at Next Building Industry Association Meeting**

Diane C.O. Gilson, CPA, CIA (Certified QuickBooks® Consultant) of Info Plus<sup>(+)</sup> Accounting<sup>SM</sup> PC, will be presenting "Controlling Profits with QuickBooks® " at the upcoming Building Industry Association of Southeastern Michigan Meeting. The meeting will be held on Thursday, May 12, 2005 from 8:30 – 10:30 AM at 30375 Northwestern Highway, Suite 100, Farmington Hills, MI 48334.

"Many QuickBooks® users are unaware of the various shortcuts built into this powerful software; shortcuts that allow them to add the speed, accuracy, and control they desire," says Diane CO Gilson, CPA, CIA, President. "This seminar was designed to help move people to the next level of expertise with their QuickBooks®. We provide various tips and techniques to help class participants prepare accurate and timely job cost reports. This critical data then empowers company owners to control costs and profits".

Info Plus<sup>(+)</sup> Accounting<sup>SM</sup> PC works exclusively in QuickBooks® (a powerful, multi-functional software accounting system). They focus on "Harnessing the Power of Numbers" to help clients achieve their business goals by maximizing the quality of an essential management tool — their accounting system. They provide accounting, reporting, consulting, design, and training services through on-site visits or via the Internet.
